

VYANKATESHWAR SANTOSH PUND

Junior Software Engineer | Python / Django Developer

Amravati, Maharashtra | +91 8263986554 | pundvyankateshwar@gmail.com | linkedin.com/in/vyankateshwar-pund-7a654632b | github.com/vyankateshwarpund

PROFESSIONAL SUMMARY

Junior Python/Django Developer with hands-on experience developing full-stack web applications and RESTful APIs using Django, Django REST Framework (DRF), MySQL, JavaScript, and Django ORM. Built an e-commerce application featuring 40+ API endpoints and 20+ database tables, and developed a REST API supporting 500+ student records. Experienced in authentication, authorization, role-based access control, CRUD operations, database design, API integration, Git/GitHub, and deployment. Focused on writing clean, maintainable backend code and developing reliable, scalable web applications.

TECHNICAL SKILLS

Languages: Python, JavaScript, SQL, HTML5, CSS3

Frameworks & Libraries: Django, Django REST Framework (DRF), React, Bootstrap 5

Databases & ORM: MySQL, Django ORM, SQL Query Optimization

APIs & Integrations: REST APIs, Razorpay API, Postman

Developer Tools & Platforms: Git, GitHub, Docker, VS Code, PythonAnywhere, Render

Backend & Engineering Concepts: OOP, CRUD Operations, Authentication & Authorization, Role-Based Access Control (RBAC), Database Optimization, Caching, API Development

Development Practices: Agile/Scrum, Code Review, Version Control

PROFESSIONAL EXPERIENCE

Junior Software Engineer — CCIT Institute

Jul 2026 – Present

Amravati, India

- Developed and maintained Python/Django web applications in collaboration with senior developers, implementing new features and resolving bugs in a live codebase.
- Implemented and tested REST API endpoints using Django REST Framework (DRF), supporting applications designed for 50+ concurrent users.
- Debugged application issues and contributed fixes to improve reliability and functionality across the Django codebase.
- Participated in Git/GitHub version-control workflows and code reviews, identifying defects before merge and maintaining code quality.

PROJECTS

SPCart — Full-Stack E-Commerce Platform

Jul 2026 – Aug 2026

Personal Project | Amravati, India

Technologies: Python, Django, MySQL, Django REST Framework, JavaScript, Bootstrap 5, Razorpay API

- Engineered a modular Django e-commerce platform using an 11-app architecture with 20+ database tables and 40+ API endpoints for product catalog, cart, wishlist, and order management.
- Integrated Razorpay payment processing with server-side HMAC signature verification to validate payment authenticity and secure order confirmation.
- Implemented email OTP-based registration, custom administrative sales analytics, and automated order-status email notifications.
- Optimized Django backend performance by eliminating N+1 queries with annotate(), implementing category caching, and configuring WhiteNoise for compressed static-file serving; deployed on PythonAnywhere.

Student Management System — REST API

Jan 2025 – Feb 2025

Personal Project | Amravati, India

Technologies: Python, Django REST Framework, MySQL, Django ORM

- Designed and developed a REST API for managing student records with full CRUD functionality across 500+ student entries.
- Built Django ORM-based database operations to simplify data management and improve query handling.
- Added authentication and role-based access control (RBAC) to restrict access to student data and application functionality.

Portfolio & Analytics

Jun 2026 – Jul 2026

Personal Project | Amravati, India

Technologies: Python, Django, Django REST Framework, MySQL, Bootstrap 5, Docker, Render

- Engineered a Django and MySQL portfolio platform featuring 40+ DRF API endpoints, 36 database tables, and a recruiter analytics dashboard with live visitor IP tracking.
- Implemented a responsive glassmorphism interface with persistent Dark/Light mode support and Progressive Web App (PWA) offline functionality.
- Containerized the application and configured deployment using Docker and Render.

EDUCATION

B.E. — Computer Science and Engineering

2023 – 2027

Dr. Rajendra Gode Institute of Technology & Research, Amravati — Sant Gadge Baba Amravati University (SGBAU)

CGPA: 8.06 / 10.00
